## **APPENDIX II**

### **BRIEF HISTORY OF THE FCSL**

Enthusiasm for athletics is akin to “Mom” and “apple pie” in Fairfield County. Thus it is not surprising that, in the spring of 1949, several swimming and diving enthusiasts gathered to discuss the formation of a league that would sponsor fun, friendly swimming and diving competitions to be held during the summer season.

Bill Campbell, then head swim coach of the Stamford Yacht Club, and Rocky Point member Bill Smith spearheaded the effort by inviting representatives from Fairfield County clubs to a meeting that was held at the Stamford Yacht Club. Eight clubs were represented at the meeting: Stamford Yacht Club, Brooklawn Country Club, Fairfield Beach Club, Riverside Yacht Club, Rocky Point Beach Club, Shore & Country Club, Tokeneke Club, and the Wee Burn Beach Club. The end result was the formation of the “Fairfield County Swimming League” (a.k.a. “FCSL”) and the election of Bill Campbell as its first president. The first dual meet schedule was set for the summer of 1949, with the first County Championship meet scheduled to be held that August.

At that time, Stamford Yacht Club was the only club with a facility that would be appropriate for a championship meet: a real swimming pool with six lanes (100 feet in length) and a one-meter diving board. Rocky Point had a pool of sorts -- with a rock and seaweed bottom -- but, the other founding clubs had no pools at all and held their dual meets in Long Island Sound. Milbrook held meets in a pond until their first pool was built in 1959.

For years the “Counties” meet was the highlight of the summer season for swimming and diving competitors and fans. It was not at all unusual for families to plan their summer vacations around the meet schedule, often cheering on the deck with engines running and bicycles strapped atop the family station wagon in the parking lot or along the neighboring roadside of the host club. “Off to catch the ferry!” was often offered as the reason a child was being shuffled into the rear seat of a packed station wagon, with towels wrapped snugly around the dripping, but happy, little swimmer ... after all, he had “made it to Counties”!

Stamford Yacht Club won the championship in the inaugural year of the championship meet, with Rocky Point claiming second place and Wee Burn Beach Club taking third place. Stamford Yacht Club kept the title for the next five years, allowing Rocky Point a moment of glory in 1955, but SYC reclaimed the title the next year until Rocky Point snatched it back in 1958. The New Canaan Field Club held the trophy once in 1959. But, since then, several power houses have emerged, with amazingly long runs at holding on tightly to the FCSL championship title. The Milbrook Club, who hosted its home meets in a pond until their pool was completed in 1959, was the keeper of the trophy for most of the 1960’s (1960-68, to be exact), after which it was The Lake Club’s responsibility to polish the trophy for the 1969 through 1971 seasons. Newfield Swim Club was the team to beat from 1972 through 1979. But, The Lake Club did just that and housed the coveted prize for the entire decade of the 1980’s and into the 1990’s, unsuspecting that Roxbury Swim Club had forged a special niche for it to call home ... and it resided there comfortably from 1991 until 2003. The 2003 County Championship meet was a “nail biter” to say the least. At the end of the freestyle relay, the crowd looked to body language for the answer: who won? ... Rocky? ... Roxbury, again? ... then, all of a sudden, Terry Lowe was in the pool! There was no doubt! Rocky Point ended its 35-year hiatus and captured the County Championship crown! The glory was short-lived though, as Roxbury regained the title in 2004.

League membership grew slowly at first, reaching eleven clubs on the roster by 1955. In the 1950’s, when membership was still small, the FCSL enhanced its schedule with outside meets, including championship challenge-matches against the Westchester Swimming League (won 2, lost 2) and “telephone meets” against leagues in places like Columbus, Ohio (won it easily), Detroit (lost by 2 points), Philadelphia (lost by 20), and Los Angeles (“They creamed us!”).

# FAIRFIELD COUNTY SWIMMING LEAGUE

## BRIEF HISTORY OF THE FCSL cont'd

These telephone meets featured simultaneous starts (three swimmers per league) by firing a gun over an open telephone circuit, comparing times, and awarding matched sets of special ribbons at both locations. The ribbons were printed in Jackson Smith's basement, and a good time was had by all!

Membership expanded to 26 clubs by 1960, as a result of the great club and pool building boom of the late 1950's. When the League began, all events were 25's except for the 16 & Under 50 freestyle. IM's were not a part of the original format, and there were 6 & Under events across the pool, as well as at the beginning of the meet before the lane ropes (not lane lines!) were put up in the pool. As the League grew, so did the program: competitive divisions were formed; new events were added; consolation heats were added to the championship meet (1970); diving age groups were increased from two to three, and then to four in 1977. Three-meter diving was added as an official event in the Championships in 1974. In 1985, Water Polo was introduced to the FCSL team offerings, with the first age-group championship series held in 1988. In that year the Midget Championship went to Rocky Point Club; the Junior Championship was won by the Tokeneke Club; and, the Senior Championship was awarded to the team from Burning Tree. In 1997, the Fairfield County Swimming League was incorporated in the State of Connecticut as a non-stock, non-profit corporation. League dues, which started out as \$50 per club in 1949, have increased over the years to accommodate the level of sophistication necessary to adapt to the technology and reality of our world in the 21<sup>st</sup> century. And, it is widely believed, League members are still having fun!

And, "fun" is a key word here. "Fun," rather than competition, has been the objective of the League from its inception. Fun for the children, fun for their families, and even fun for the coaches and staff of the member clubs. Each dual meet has traditionally been a social event between clubs, often ending with a cook-out or social gathering of some sort. The competition is meant to be the means to the end: fun. But the League's objectives also include providing an opportunity to encourage the development of skills, and a sense of self-worth and pride, coupled with life lessons in the importance of team work and the ability to win and to lose with grace and dignity.

"Rules don't make things right; people make things right." But, rules are a "necessary evil" and the League has adapted as its base the rules and safety standards established by the U.S.A. Swimming, U.S. Diving and U.S. Water Polo organizations and the Department of Health and Public Safety of the State of Connecticut. The FCSL is fortunate to have the *right* people on board as well. Training opportunities for FCSL coaches and referees have been established to enable them to perform their roles with a level of professionalism that has served the members well over the years. The League has enjoyed the support of parents on the deck as volunteers and as positive role models for our children. The Fairfield County Swimming League has, and always has had, every reason to be proud of its family of competitors, their fans, and their coaches.

FCSL President  
June 2002 - August 2004*

As 31 FCSL clubs approach the starting blocks for the next season,  
with new procedures for social distancing and sanitizing with virtual meets,  
we are still endeavoring to support aquatics fun.

The FCSL Board of Governors expresses our appreciation to all FCSL supporters for their  
extraordinary efforts on behalf of our children.

With the popularity of Water Polo continuing to increase in recent years, a decision was made by the FCSL League to organize the Water Polo teams into 4 divisions for the 2008 season. Four top teams from each Division were then eligible to participate in Divisional Water Polo Championships in the younger age groups. After the initial test with 4 divisions, it was decided to cut back to 3 divisions for the 2009 season. Senior Championships continues to have eight top teams participate in a single Senior Championship Tournament. The number of teams in Divisions 1 & 2 was increased from 6 to 7 teams for the 2017 season.

### **MEMBERSHIP REQUIREMENTS**

1. Membership Application Applicant clubs should request from the FCSL Membership chairman a "Membership Application Form". With this form, the applicant will also be given a copy of these "Membership Requirements, Membership Directory, the FCSL Bylaws and the FCSL Rule Books.
2. Sponsorship The application must be supported by at least three FCSL Member Clubs. Each sponsoring club must have held a swimming meet with the applicant club within the past two seasons. Sponsoring letter and seconding letters, each letter from the Swim Chair of one of the three FCSL member club are to be sent to the applicant Club and forwarded by the applicant, with the completed application form, to the FCSL Membership Chair.
3. Meeting with FCSL Representative The FCSL President will appoint one or more representatives to meet with the applicant Club's representative(s) and members of his or her Swim Committee and to inspect the swimming and diving facilities of the club. The representative(s) will report to the FCSL Board a recommendation as to the apparent support and enthusiasm of the Club for its Swimming and Diving program and as to the adequacy of facilities and equipment. After the Board considers the application, it will be submitted to the FCSL membership for a vote.
4. Swim Team Support Strong parent support is essential to a successful meet program. Parents of Swim Team members must be aware that their participation, acting as officials, driving to away meets, etc., is required as a condition of continuing membership in the FCSL. The Club must be willing and able to host its fair share of dual meets and of County Divisional Championships each summer.
5. Facilities The facilities of new or member club should meet, or approximately meet United States Swimming, Inc., United States Diving, Inc., and United States Water Polo Inc.'s minimum requirements, and adhere to all State and Local health & safety codes:
  - a. 25 meter or 25 yard pool with at least 4 but preferably 6 lanes.
  - b. Competitive swimming area of adequate depth (4'6" strongly recommended) and width.
  - c. Standard starting blocks.
  - d. Standard competition diving board with at least a 1-meter, preferably also a 3-meter platform and adjustable fulcrum;
  - e. Diving well of proper depth

*See also the full FCSL Rules & Regulations and FCSL Bylaws.*

# **FAIRFIELD COUNTY SWIMMING LEAGUE**

## **MEMBERSHIP REQUIREMENTS, continued**

6. **Equipment:** Equipment to host the meet should meet USA Swimming requirements, where applicable:
- a. Lane Starting Blocks and lane lines
  - b. Pool bottom-lined and end wall targets for competition
  - c. Two backstroke flag lines, anchored 5M (25M pool) or 15 feet from starting end of the pool.
  - d. Six club-owned digital stopwatches, in addition to those owned by individual members.
  - e. Electronic starting system or starting gun and ammunition, .22 caliber preferred
  - f. Three (3) sets of Diving Judges flashcards
  - g. Public Address system at the pool to announce diving and swimming events, scores and other announcements.

*Please note: Meet Score Sheets, Diving Entry/Score Sheets, Timer's Cards, and Water Polo Score Sheets are provided by the league and can be downloaded for printing from the FCSL web site. See also FCSL Rules and Bylaws.*

7. **Timers Clinic:** The League will conduct a clinic for Swim Team parents and Pool Staff at each newly admitted Club prior to their first meet. It is understood that agreement to provide for strong attendance at this initial clinic is a condition of membership application
8. **League Meetings:** At least one Swim Chair and one Head Coach are expected to attend the two yearly FCSL luncheon/dinner League meetings: the preseason meeting in June and the Annual Meeting in August.
9. **League Dues:** Annual dues are payable on or before June 1 of each year. There is no initiation fee. The League does bill member Clubs for such dues; however each Swim Chairman is responsible for making sure that their Club's dues are paid on time.

## **APPENDIX VI**

### **DIVING & SWIMMING WARM-UP PROCEDURES**

#### **Diving**

No divers should warm up before a certified diving coach is present.

#### **Swimming**

##### **1. Pre-Meet Warm-up**

- a. Control / Supervise - key words for safe warm-up
- b. Officials should be actively supervising the warm-up to ensure that proper procedures are followed. They have authority, through referee or swim chairs, over the warm-up. A swimmer and/or a coach may be removed from the deck for interfering with his or her authority.
- c. Coaches are reminded that they are responsible for supervision of their swimmers during a warm-up just as they are when they are on the deck at a practice.

##### **2. Important Points to Remember During Warm-up**

- a. There shall be no diving off the blocks or the edge of the pool during the general warm-up -- swimmers must enter the pool feet first for warm-up swims. Orange cones, pylons or chairs should be placed on the starting blocks so that all swimmers are aware that the blocks are not to be used.
- b. THE ONLY TIME A SWIMMER SHALL DIVE INTO THE POOL, i.e., ENTER THE POOL HEAD FIRST, SHALL BE DURING THE SPECIFIC WARM-UP PERIOD WHILE ENTERING A LANE DESIGNATED FOR SPRINTING.
- c. Swimmers need to be aware of the potential for disaster when a swimmer is diving from the block at the same time a backstroker is executing a start from beneath the block. In sprint lanes, the backstrokers shall stand in line with the other swimmers waiting to start from the top of the block. Backstrokers shall enter the water when their turn comes. While a backstroker is in the water preparing for and executing a start, no swimmer shall step onto the block.
- d. Coaches should maintain as much contact with their swimmers as possible -- verbal and visual -- throughout the warm-up period. IT IS THE COACHES' RESPONSIBILITY TO SUPERVISE THEIR SWIMMERS DURING THE WARM-UP.

## **APPENDIX VII**

### **RULES FOR SECOND TEAM FROM ONE CLUB**

1. The Club with two teams competing in the FCSL will submit two rosters to the FCSL president prior to either of the Club's first meets. These rosters shall include the full name of each contestant and the specific team to which he or she has been assigned.
2. No contestant may compete in the first meet for both teams.
3. There is a grace period during which contestants may be reassigned. The grace period ends before each team's second meet.
4. Contestants may be reassigned once, either up or down, at the discretion of his or her coach, before the end of the grace period, at which point the rosters must remain fixed.
5. At the end of the grace period, the Coach must submit a copy of each of his or her final rosters to the FCSL President with the changes from the original noted on a cover sheet. The FCSL President shall be notified of any member who joins either team after the second meet of both Divisions.
6. Weekly meet results for the club's two teams must be forwarded to a member of the Board of Governors whose own club is not competing in either Division to which the double roster club is assigned. These results are for the board member only, whose responsibility is to check for possible misuse of a contestant. Any new member of the team will be noted on a cover sheet accompanying the weekly meet results when that member first competed.
7. The penalty for using a contestant in both Divisions after the grace period is the loss of the meet for which he or she is ineligible.
8. In all other ways, the contestants from the two rosters will be considered as if from separate clubs with all the rights accorded other FCSL contestants. This includes the Championship and Divisional Meets.

#### **GENERAL AMENDMENT**

Rules for a particular dual meet may be amended by mutual agreement between the Swim Chairmen of the two clubs involved in that dual meet. Such rules shall not be so amended by the Board, by the Referee, or by agreement between the coaches.

**CLARK FALKENSTEIN & JOHN HAHNFELDT DIVING AWARDS**

In 2001, the Board of Governors of the Fairfield County Swimming League established the Clark Falkenstein Diving Award in memory of long-time and much-beloved diving coach, Clark Falkenstein, who died in 2000 after a typically feisty and courageous battle with a brain tumor. According to the wishes of Maria Coomaraswamy-Falkenstein, and as agreed by the FCSL Board, this award would be presented to

“a diver who, regardless of the odds, kept plugging along. One who was not necessarily always a ‘winner’, but who, nevertheless, tried the hardest because of their love of the sport.”

The Board further determined that the recipient could be

“a person who has been an important advocate of, or who has been extraordinarily important to, the sport of diving in Fairfield County.”

In 2012, the Board voted to recognize the life-long commitment of another beloved diving coach, who had recently passed away, by establishing the John Hahnfeldt Award. Accordingly, the Board voted to re-dedicate the Falkenstein Award and return to the criteria originally established by Maria Coomaraswamy-Falkenstein, recognizing a diver who persevered.

The nominations for these awards will come from FCSL diving coaches, swim coaches, or divers. Nominating forms will be available from the Diving Coaches’ Representative to the Board. The nominations will be reviewed by a committee consisting of the Diving Coaches’ Representative, the Vice-President of Diving, and a person selected by Maria Coomaraswamy-Falkenstein to represent her on the committee.

Welcome to (*name of facility*)\_\_\_\_\_ for the diving (*swimming / water polo*)  
competition between (*home club*) \_\_\_\_\_ and (*visiting club*) \_\_\_\_\_

The Referee for today's swimming (*diving/water polo*) competition is \_\_\_\_\_.

This athletic event is scheduled for the benefit of the members and athletes of these two clubs. The final jurisdiction of this competition rests with the referee.

This is an FCSL sponsored contest. Our athletes are expected to accept the responsibility and privilege of representing their club. Officials & coaches will promote positive and respectful behavior at all times, without displaying any negative behavior in this venue or meet (*games*).

Everyone in attendance is expected to respect the judgment of the assigned officials, abide by the FCSL rules of conduct, and not display negative behavior towards your opponent or anyone else.

One of the most important goals of this league is to promote sportsmanship, respect and courtesy of all of the athletes & coaches participating in this event as well as the spectators watching.

Any violation of this "Code of Conduct" may result in disciplinary action by the presiding officials and the League.

We look forward to a competition that embodies good sportsmanship and fun!

-----  
**\*\* FCSL Policy Clarification \*\* (NOT read aloud at venues)**

#### UNSPORTSMANLIKE CONDUCT

A. This includes any act the referee deems unsportsmanlike including, but not limited to, the following:

- a) making insulting or derogatory remarks or gestures, or acts such as taunting or language or actions that are unsuitable to friendly competition involving young children;
- b) trying to influence officials' decisions or flagrant and hostile exhibition of disgust with officials' decisions
- c) interfering with contestants or meet officials.

B. Competitors cited for unsportsmanlike conduct will be eliminated from further participation. If a contestant who causes such an incident has completed any of his or her scheduled diving or swimming events, he or she shall be disqualified from all of his or her previous events with points deducted from the team score, with no additional re-scoring.

Parents, other adults, or team representatives who are cited for unsportsmanlike conduct will be asked to leave the competition area. This penalty will be imposed at the discretion of the referee, but may be requested by either Swim Chair.

## APPENDIX XX

### FCSL Divisional Swimming Championships Email Entry Instructions

Download the HyTek Team Manager Event File for Divisional Swim Championships from FCSL web site before making your entry in Team Manager

You need to make **both** a Disk Entry file and a Hard Copy entry file (not the same file!) Print out the Hard Copy entry file to check your team entry is correct before submitting. Instructions to make these two files in the HyTek Team Mgr program are shown below:

PLEASE follow BOTH columns of instructions!!!

#### DISK ENTRY :

Go to TEAM MANAGER

**File/Export/meet entries/enter**  
**Save meet entry file**

(make a note of file name/folder where saved!)

“HARD COPY”, in Team Mgr select :

**Meets/Entries/By Name or /By Event**  
Then select **Print/Create Report**

Make a pdf disk file by selecting:

choose your pdf-driver,

print file

OR make another file by selecting:

, Format : **Word for Windows/**

Destination : **Disk File**

**OK** (make a note of file name/folder where saved!)

*Note : There may be minor differences in the actual options used in your Team Mgr program, depending on program version (and age) and available drivers.*

Go to your e-mail program and compose an email:

Send to: **entries@fcsl.info**

Subject: **Meet entry for Div # FCSL Champs** (replace # sign with your Div's number)

Please include your full name, phone number and return e-mail address in the body of the email.

This will enable us to get in touch quickly in case we have a problem with your entry.

Type results of your dual meets in the body of the email similar to the set-up of the Dual Meets Results Form, or provide a completed 'paper' file-copy of the Form.

If you have an older version of the Team Manager program you may not be able to notate the data to show any Alternates. Make sure to note them all in your email.

To attach **both** files to your email, in turn:

Go to **c :** (or c: /folder if you chose elsewhere to save the requisite files in a folder  
find your meet entry file

Click on it

Hit **Attach**, (repeat for other file, 'Hard Copy', before sending email)

then **Send** your email

***Meet entries must be received by the announced deadlines, several days before the Divisional Swimming Championship meets – see Key Dates.***

## **APPENDIX XXII**

### **RECOMMENDED MINIMUM REFEREE PAYMENTS**

The recommended minimum payments for Referees at FCSL dual meets/games have been changed.

Many clubs choose to pay more than these minimums.

These minimums supersede any lower amounts that may appear in the FCSL General Sports, Swimming, Diving or Water Polo Rules :

#### **Swimming**

\$175 per dual meet, plus flat sum of \$25 for Unofficial (Exhibition) heats.

Payment by the home (host) club.

#### **Diving**

\$90 per dual meet. Payment by the home (host) club.

#### **Water Polo**

\$60 for first game, \$90 for two games, \$140 for three games per Referee.

A second Referee for the Senior game \$60, making a total expense for all three possible games of \$200.

Total paid by the two competing clubs with each club paying half.

## **APPENDIX XXIII**

### **FCSL SAFETY GUIDELINES**

#### **IMPORTANT**

All FCSL Clubs and Coaches with regard to racing starts will complete a Racing Start Certification for every swimmer. Effective date: May 1, 2009.

“Teaching racing starts” will include:

1. All racing start instruction until a swimmer has been certified by his or her coach as proficient in performing a racing start, and
2. All instruction, subsequent to certification, which seeks to alter a swimmer’s basic technique in performing a racing start.

**TEACHING RACING STARTS SHALL ONLY TAKE PLACE UNDER THE DIRECT SUPERVISION OF THE CLUBS SWIM COACH.**

The Certification Checklist will be available on the FCSL web site

USA Swimming Rules Reference :

Pursuant to USA Swimming Rule 504.8, the USA Swimming Board of Directors has decided to amend Rule 103.2.2 (page 43 of the 2007 Rules & Regulations) which specifically applies to teaching racing starts to provide as follows:

103.2 WATER DEPTH –

.2 /M/ Teaching Racing Starts – Minimum water depth for teaching racing starts in any setting from any height starting block or the deck shall be 6 feet (1.84 meters) measured for a distance of 3 feet 3 1/2 inches (1.0 meter) to 16 feet 5 inches (5.0 meters) from the end wall.

This decision has been made with the advice and consent of the Safety Education Committee, the Rules and Regulations Committee, and legal counsel. The purpose of this action is to further protect novice swimmers from accidental bottom strikes while they are learning to execute racing starts. This change is effective immediately.

## APPENDIX XXIV

### FCSL SWIMSUIT RULING

**Starting summer 2020** tech suits are not allowed in FCSL competition. A 'tech suit' has been defined by USA Swimming but FCSL will apply the prohibition to **ALL AGES not just 12 & Unders**.

*A "Tech Suit" is defined as a suit that has bonded seams, kinetic tape, or meshed seams.*

Any swimmer will be disqualified from any event in which he/she competes in a "tech suit".

When time permits, the Referee should alert any swimmer in a tech suit to enable the offending suit to be changed before any event is swum.

As before, in FCSL, only traditional "**brief**" or jammer suits of any material for boys are permitted and only traditional "**tank**" style suits for girls covering the torso are permitted.

*No one wants to be the suit police and this is SUMMER SWIMMING!*

**As of 2009, New Interpretation regarding the use of more than 1 swimsuit during competition:**

USA Swimming *revised* the interpretation regarding the use of 2 swimsuits during competition.

The Rules & Regulations Committee has issued an interpretation that only one suit swimsuit is allowed during competition.

A further clarification provided an exception and allowed that a second suit worn for modesty or support purposes would be allowable and would not be considered a second suit.

For further information, see FAQ's on the FCSL web site (fcsl.info)

## **APPENDIX XXV**

as of June 2016

### **League Divisions If Club Drops Out of League**

There are currently 33 FCSL Clubs with swimming & diving teams in the League in five Divisions. The current breakdown of the five Divisions is :

D1 – 7 teams, D2 – 7 teams, D3 – 7 teams, D4 – 6 teams, D5 – 6 teams

If a club drops out from the League, there would be 32 clubs in five Divisions

New breakdown of the five Divisions would be :

D1 – 7 teams, D2 – 7 teams, D3 – 6 teams, D4 – 6 teams, D5 – 6 teams

Per *FCSL General Sports Rules, Article I – General, Section D-Divisions, Parts 1 & 2.*

### **Case 1 – Team drops out from Division 5**

- The losing team in each division will move down to the next division.
- The winning team in Division 2 and in Division 3 will move up to the next division
- The winning team in Division 4 and in Division 5 will stay in their current division

### **Case 2 – Team drops out from Division 4**

- The losing team in each division will move down to the next division.  
The losing team in Division 4 is the last place team ignoring the team that drops out.
- The winning team in Division 2, Division 3 & Division 5 will move up to the next division
- The winning team in Division 4 will stay in their current division

### **Case 3 – Team drops out from Division 3**

- The losing team in each division will move down to the next division.  
The losing team in Division 3 is the last place team ignoring the team that drops out.
- The winning team in each division will move up to the next division.

### **Case 4 – Team drops out from Division 2**

- The losing team in Division 1, Division 3 and Division 4 will move down to the next division.
- The losing team in Division 2 will stay in Division 2
- The winning team in each division will move up to the next division

### **Case 5 – Team drops out from Division 1**

- The losing team in Division 2, Division 3 and Division 4 will move down to the next division.
- The losing team in Division 1 will stay in Division 1

The winning team in each division will move up to the next division.

## APPENDIX XXVI

### **Weather Protocol FCSL Meets/Games**

FCSL will make every effort to hold competitions, however the safety of the membership is paramount.

Competitions will be held in rain and wind if deemed safe by meet/game committee and host aquatics facility. Foul weather, such as lightning, hail and gale force winds, may force a postponement or cancelation. These events are out of FCSL control and every reasonable effort will be made to complete the meet/game.

FCSL weather policy is as follows:

1. If foul weather is anticipated the morning of a meet/game a decision to postpone the meet/game will be made no later than 1 hour before warm up via SMS (RainedOut.com)
2. If foul weather begins within ½ hour of the start of warm up during a championship meet/game the following protocol will go into effect:
  - a. Thunder: Meet/game committee will check My Lightning Tracker or similar website or app for lightning distance if any thunder is heard. All athletes should leave the pool.
  - b. Lightning: If lightning is seen or detected within 10 miles of meet/game location a 30 minute hold will go into effect. All athletes, spectators, officials should go directly to a safe location\*. Updates will be provided every 15 minutes via SMS.
  - c. Meet/game may continue once lightning has not been detected within a 10 mile radius for 30 minutes. There is no set time period for event cancellation or postponement and every effort will be made to conduct meet/game on the given day. If weather prevents the meet/game from taking place on that date there will be no rain date unless previously indicated by FCSL.
  - d. Hail: If hail occurs before or during the event, meet/game will be suspended until that precipitation stops. Updates will be provided via SMS.
  - e. High Winds: No tents or umbrellas will be allowed on deck if high winds are anticipated – notification of ban will be disseminated via SMS. Sustained winds exceeding 39 mph (gale force) will suspend meet/game until winds decrease to below 39 mph. In the event of high winds during an event all patrons should go directly to a safe location\*. Updates will be provided via SMS every 15 minutes.

## FAIRFIELD COUNTY SWIMMING LEAGUE

### \* SAFE LOCATIONS DURING A LIGHTNING STORM (NOAA/NWS)

<p><b>WHERE TO GO:</b></p> <p>The safest location during a thunderstorm is inside a large enclosed structure with plumbing and electrical wiring. These include shopping centers, schools, office buildings, and private residences. If lightning strikes the building, the plumbing and wiring will conduct the electricity and eventually direct it into the ground.</p> <p>If no substantial buildings are available, then an enclosed metal vehicle such as an automobile, van, or school bus would be a suitable alternative.</p>	<p><b>WHERE <u>NOT</u> TO GO:</b></p> <p>Not all types of buildings or vehicles are safe during thunderstorms. <u>Buildings with exposed sides are NOT safe</u> (even if they are "grounded"). These include beach shacks, metal sheds, picnic shelters/pavilions, carports, and baseball dugouts. Porches are dangerous as well.</p> <p>Convertible vehicles offer no safety from lightning, even if the top is up. Other vehicles which are NOT safe during thunderstorms are those with open cabs, such as golf carts, tractors, and construction equipment.</p>
