With the popularity of Water Polo continuing to increase in recent years, a decision was made by the FCSL League to organize the Water Polo teams into 4 divisions for the 2008 season.

Four top teams from each Division were then eligible to participate in Divisional Water Polo Championships in the younger age groups. After the initial test with 4 divisions, it was decided to cut back to 3 divisions for the 2009 season. Senior Championships continues to have eight top teams participate in a single Senior Championship Tournament.

The number of teams in Divisions 1 & 2 was increased from 6 to 7 teams for the 2017 season.
