FCSL 2023 WATER POLO CHAMPIONSHIPS

Senior Tournament Selection Process:

This is an 8 team tournament with all 3 divisions eligible to participate/be selected.
We do not have separate divisional senior tournaments like Mini and Junior tournaments.

We attempt to invite the 8 best teams with a few other parameters that we consider.

We usually invite 4-5 division 1 teams, 2-3 division 2 teams and 1 division 3 team to try to have representation of all 3 divisions in the championship.

The seeding is fairly easy except when he comes down to whether we should take a fifth (5th) division 1 team or a third (3rd) Division 2 team. Then we look at the teams results/scores and make a subjective decision (more on that later).

Here are the seedings for this years tournament:

1. Rocky Point (5-0 in Division 1)
2. Milbrook (4-1 in Division 1)
3. Riverside YC (5-0 in Division 2)
4. Innis Arden (3-2 in Division 1)
5. Lake Club (4-1 in Division 2)
6. Greenwich CC (2-3 in Division 1)
7. Burning Tree CC (3-2 in Division 2)
8. Waveny (D3 team) (Beat Belle Haven 21-13 head to head)

Alternate: Newfield Swim and Tennis (1-4 in Division 1)

As stated earlier, the toughest decision was between Burning Tree and Newfield.

This is what we considered:

Burning Tree won 3 games.

Their two losses were with RYC (3rd seed above) and Lake Club (5th seed above).

Newfield won 1 game on the last day of the season vs. 0-5 Roxbury.

In Newfield's 5 games played they have given up a total of 98 goals or 19.6 goals per game. That is a very high amount given 8 minute running quarters.

If we have a late scratch from one of the teams we will invite Newfield to the tournament.
