

All,

We are in the home stretch for our FCSL season. Congrat's to all of our divers who participated in County Diving Championships this past week!

A few reminders for this week:

1. All FCSL Championship swim meets will be using stopwatches as in years past for Divisional meets so that we are all using the same timing system to feed into Counties (stopwatches may register times that are slightly faster on average than semi-automatic times). Coaches, please bring stopwatches to the meet for your team.
2. Coaches - reminder that the Counties seed/scratch meeting and 2022 scheduling meetings are at Lapham Community House, in Waveny this Wednesday (Directions - keep driving, well past the Waveny pool). See the FCSL.info key dates for more details.
3. Reminder that all clubs should be respectful of the host clubs - leave your area tidier than you found it. Respect the referees, club employees and other teams.
4. Championship apparel and merchandise - will be available at D3, 4, 5/6 and Counties. Division 1 & 2 athletes that would like to purchase merchandise and will not be at Counties can stop by Greenwich CC between 4:30 - 6:30 on Monday to purchase items. Vendors will be located beyond the GCC pool area on the Skeet & Trap fields.
5. Counties Championship program - will be available for pre-purchase (highly recommended) for \$20 each. Any families wishing to pre-purchase should provide cash or check (payable to FCSL) to their chair or coach attending the Annual Dinner (on Friday Aug 5). If unable to pre-purchase, programs will be available near the drop off line for Counties. Remember no spectators & no parking.
6. More details regarding Counties will be sent out on Thursday and communicated at the annual FCSL dinner.

Best,

Megan Kelly
