

Coaches, Chairs & Board Members,

Congratulations on an amazing season, and what a County Championship! That was an incredible finish to a great season. I cannot thank the Wilton YMCA enough for being gracious hosts, and going above and beyond in helping with all of the organization it takes to run a championship meet with 31 teams. We hope that we made this event fun for swimmers, coaches and parents. I definitely welcome any feedback you have so we can begin planning for next year.

I thoroughly enjoyed being president of the FCSL this season and could not have done it without the help of all Board members, support of coaches and chairs. It's definitely a team effort to make this League run.

There are always ways to make the league more efficient while retaining its traditions and competitive spirit. This fall, the plan is to hold a zoom meeting for coaches, and another for chairs so the Board can hear more feedback and we can source new ideas.

**Full Results for Swimming, Diving and Polo can be found on the FCSL [website](#).**

Thank you to all for your efforts during the 2023 season and good luck in the off season. May the summer of 2024 come quickly!

Best,  
Dana
